

2024 USER FEE REGISTRATION FORM

A USER FEE TAG IS REQUIRED TO USE THIS DOG PARK

The K-9 Friends would like to thank you for your continued support of the city's first off-leash and fenced-in dog park. The West Bend Dog Park is located in beautiful Rolfs Park at the intersection of Vogt Drive and S. 18th Ave. The Dog Park is an incredible 10 acre fenced in parcel just waiting for you and your dog to enjoy. The park includes ample parking, doggy waste stations, waste bags, walking/hiking trails, benches, trees, and a beautiful gazebo. All the park needs is you and your dog(s). Please remember to bring a jug of water.

The annual fee, required for this "**Privately Funded**" park is only \$25 per household from January thru December of the current year. Upon receipt of your payment and application, a user tag will be mailed to you in your self-addressed stamped envelope.

Keeping your dog up-to-date with their vaccinations, especially Bordetella/KK will help stop transmittable viruses when they are at doggy daycare, being boarded or visiting dog parks. **Please note: along with the user tag, if you live in the City of West Bend, a city dog license is required.**

NO AGGRESSIVE BEHAVIOR WILL BE TOLERATED! Remove your dog immediately if such a situation occurs. Contact an obedience school to socialize your dog, if needed, prior to entering the Dog Park.
